General Information

The Area Agency on Aging of Western Michigan (AAAWM) is the administrator of the Kent County Senior Millage. AAWM is also the planning and funding agency for the Older Americans Act and Older Michiganian Act for a nine (9) county area called Region 8.

Established in April 1974, the AAWM exists to provide older adults and persons with a disability an array of services designed to promote independence and dignity in their home and in their communities. AAWM and their partner agencies provide older persons, including those with the greatest social and economic needs, with an array of human services.

Having created a service partner network with quality service for over 45 years, we are seeking proposers that will continue to bring expertise and experience to Kent County. We are seeking partners who are actively involved with innovative older adult programs as well as traditional services.

Services proposed for funding should be based on need, service partner availability, past experience providing services, and the use of approved service definitions, components and standards. The variety of services must address an age spectrum of 60 years to 100+ years. Proposed services that address the following issue will receive priority consideration: mental health needs of older adults, especially those who are homebound.

As you prepare to complete this 2023 Letter of Intent, keep in mind that the Kent County Senior Millage Review Committee (KCSMRC) will review Letters of Intent by August 11, 2022. Proposers will then be notified if their Letter of Intent was denied or if they can go on to complete the proposal. The proposal is due September 14, 2022.

All funded services are expected to begin January 1, 2023.

A Letter of Intent Workshop is scheduled for Monday, July 11, 2022 from 1:00 pm to 2:30 pm. Questions regarding Letter of Intent will not be answered outside of this workshop. Link to Zoom meeting: <https://us06web.zoom.us/j/86789456498>
